

“We Must Protect This House!”

Fall Mid-Week Series for Married Adults

All our house church groups will be meeting together at the church office on Thursday evenings from the end of September through November. The theme “We Must Protect This House” will focus on strengthening the spiritual foundation of our families in four basic areas: Prayer, Purity, Partnership and Purpose. Each week’s lesson will examine the life of a biblical hero to illustrate the theme.

Men and women will meet on alternating Thursdays, with the House Churches from the SE/Central and SW regions meeting upstairs with Corrie McClary and the North regions meeting downstairs with Ron Drabot. The teaching sessions will run from 7:00 – 8:00 PM followed by brief discussion and prayer in house church groups. Each week’s lesson will be accompanied by written quiet time resources for members to take home and use.
