PRAYER, CARE & CONCERN

Mike Smith will soon be having another surgery to remove any visual cancer cells. This may include removal of part or the whole of any organ hindering Mike's recovery &/or longevity. He will then receive a different Chemo treatment. Mike will be in the hospital for 5-14 days with similar recuperation as last fall (about 3 weeks). The surgery date is probably June 14 and can prolong Mike's life 1 1/2 times though ultimately we put our faith in God's power.

William Scurry has begun a new treatment program that will prayerfully prevent the major reconstruction surgery (previously prescribed) and eradicate all cancer. The family is very grateful for all the love and support during this time.

Mark Henderson is having surgery to have his prostate removed on June 21 due to prostate cancer.

Shawn Solis's brother was tragically killed in an accident this week. They are with their family in L.A. now and ask for prayers but please no calls to Shawn at this time.
